Sports Day 9th June 9.15am

Healthy Living Week

The children have had a great week with lots of different exciting activities for a healthy body and mind. We really enjoyed circus skills, swimming, Super 10, football, cricket and skipping. The skipping show was a particular highlight. The children have learned about healthy eating too and the importance of getting enough sleep. We have also briefly talked about healthy habits such as brushing teeth and washing hands. As well as all of that, we made fruit kebabs on Thursday which were delicious. The children enjoyed them as their snack.
What a fun week we have had!
