

# Just to let you know

## Maths

In maths we have been learning about the different metric units with a hobbit theme. This included weighing Smaug's gold, measuring Gandalf's potions and measuring the size of dwarves! Ask your child what the prefixes below mean:

Kilo, cent, milli

## English

In English the children have been gathering evidence from The Hobbit in order to write a fact file on one of the life forms from Middle Earth. They focused on the specific features of a non-chronological report.

Dear Parents,

This week, as you know, we have spent our time learning about human reproduction, puberty, relationships, marriage and growing up!

The children have impressed us with their thoughtful questions, respectful listening and mature attitude. We hope that you have also enjoyed chatting with your child as the week has gone by.

Below is a useful website which provides advice on talking to your child about sex and relationships:

[http://www.bbc.co.uk/schools/parents/sex\\_education\\_support/](http://www.bbc.co.uk/schools/parents/sex_education_support/)

Best wishes,

JJ, Helen, Tom and Mary

## Spellings

There will be no new spelling rule to learn this week as next Friday's test will be a recap of spelling words from previous weeks. We will send spelling books home so that your child is able to revise all of the rules we have covered this term.

## Homework

Reading task and record of reading at least 3x per week

Maths: Metric units

Spellings: Recap of all spelling rules covered this term

## Internet Safety Day

Next Tuesday (6th Feb) is internet safety day. In Year 6 our focus will be on the use of social media and live streaming.
