

Topic fun

This week we have been visiting a different continent and been to New York! The children are really enjoying using the atlases and comparing different cultures. The children loved the visit from the International students from Guildford College. We were very impressed with how well they engaged in the different activities. We will be staying in New York for another week before visiting Africa on another whistle stop tour.

Maths

We have been using coins to make different amounts of money .Using a New York café menu we chose our favourite snacks and totalled the amount spent.

A good website to reinforce the children's learning is :-
<http://www.ictgames.com/coinCalculator/>

Year 2 News

We have been making the most of the Spring weather and enjoying our visits to the Wild Place . If you can help out on a Tuesday afternoon you are very welcome . Please use the sign up sheets in year 2. The children need wellies in a named carrier bag on their pegs for this activity. Thank you.

Friday 20th March—Fluffy Friday. Please remember to wear suitable clothes for the day's activities.

New York ... New York

13th March 2015

English

We have been really impressed with year 2's story writing skills! They were very inspired by a picture of a, 'Haunted House,' and wrote some scary and imaginative stories using wonderful descriptive language. They also checked their own work for any missed punctuation.

Challenge Corner

Can you find a children's story about living in a different country? Can you find that country on a map? Find out as much as you can about the weather, the flag, capital city and other facts.
