Sustainability and Outcomes to date:	<p>We judge our outcomes against the 5 Key Indicators</p> <p>Key indicator 1: The engagement of <u>all</u> pupils in regular physical activity – Chief Medical Officer guidelines recommend that primary school children undertake at least 30 minutes of physical activity a day in school</p> <p>Key indicator 2: The profile of PE and sport being raised across the school as a tool for whole school improvement</p> <p>Key indicator 3: Increased confidence, knowledge and skills of all staff in teaching PE and sport</p> <p>Key indicator 4: Broader experience of a range of sports and activities offered to all pupils</p> <p>Key indicator 5: Increased participation in competitive sport</p> <p>(K11, K12, K13, K14, K15)</p> <p>Pewley Down was awarded the Active Surrey Two Star Mark, which recognises the school's commitment to high quality sporting opportunities for all of its children. Holy Trinity was awarded 'Gold' by Active Surrey for their commitment to delivering high quality sports. This award recognises the work done in lessons and extra-curricular and emphasises sport for all. As this is our fifth year in a row we hope to gain the Platinum award this year. We were also awarded Guildford Borough Council's Active School Innovation Award.</p> <p>(K11, K12, K13, K14)</p> <p>A key focus for 2018/19 was to develop and plan a modern and progressive curriculum that spanned all KS2 year groups. With this in mind we used SP to cover teachers as they researched, planned and trialled the new lessons and formats. We now have a broad varied curriculum with excellent progression through the year groups. This has led to teachers reporting increased confidence in delivering high quality lessons.</p> <p>(K11, K14, K15)</p> <p>The Sporting calendar is fixed and supported by senior leadership; we managed 70 competitive fixtures in the academic year across both sites with around 200 children representing the school during 2018/19.</p> <p>(K11, K14, K15)</p> <p>We have recorded 75% of all children participating in school sports clubs free of charge, with the option of over 20 free weekly sports clubs run over both sites.</p>

	<p>(K11, K12, K13, K14)</p> <p>Our Teaching audit identified Dance as a training requirement for many teachers. A local dance expert came and delivered units of work with teachers from each year group. We have also purchased a new dance planning tool.</p> <p>(K11, K14, K15)</p> <p>Using our Holy Trinity Pewley Down vulnerability index and sports questionnaire our sports team have identified children who are not as active as they could be and these children have then been given personal invites to clubs and to Change for Life Club, which is running with high engagement and positive responses across both schools.</p> <p>(K13)</p> <p>We have also made large equipment orders to support our redeveloped teaching of physical education.</p> <p>(K11, K12, K14, K15)</p> <p>Finally, we have had many anecdotal responses from staff to suggest that our excellent academic results, as well as our focus on closing the gap for those that are disadvantaged, are partly due to our relentless ambition for excellence in sport and our wider commitment to offering opportunities and participation to all.</p>
