

Dinosaur Topic fun

We got this term off to a fantastic start with the unexpected discovery of dinosaur bones in the wild place! We have been finding out about the work of Palaeontologists, learning to use all the evidence to understand as much as we can about the dinosaur from its bones. We have been writing our own newspaper report about this amazing event.

Things to do...

Get together lots of junk modelling stuff and make a dinosaur. You could use the pictures in books to make it realistic, or invent your own. If it's really big, take its photo before you bring him in to show us!

17th April 2015

Have a go at spelling these words

hot trot fetch carry
walked
because feelings sticks
spoke given
food posters pond
window wheel grass
people bushes blanket
horse

Reminders

Please sign up if you can help at the **Wild Place** on a Tuesday afternoon.(list in Year2 area).

The children will need an adult sized odd sock (we know you all have some!) to make dinosaur puppets during Art carousel this term.

PE and swimming on a Wednesday- Children should come to school in their PE kit.

Natural History Museum- 9th June
We will be sending out a letter and more information in a couple of weeks time.

Maths Corner

This week we have been learning to use the < > and = signs. We learned that the 'crocodile mouth' always eats the **BIGGER** number! We also had fun estimating and measuring in the Wild Place. The children are getting good at this !
