Just to let you know...

In Science we have been hunting for bugs and investigating their habitats.
Ask your child about any unusual bugs they found and the habitat they found them in.

Dear Parents

A massive thank you to everyone for helping making Bentley Copse such a huge success.
The children had a fantastic time in the sunshine and have enjoyed writing about their favourite activities and memorable incidents!
Please feel free to come and have a look at our Bentley Copse display, (in the Year 4 art area) which shows all the wonderful memories.

Have a fantastic weekend,
Mel, Nick and Julia

Spellings of the week

tough	thought
rough	though
enough	thorough
cough	through
bear	learn
hear	dear
wear	fear

In maths the children have been problem solving. Pupils were given the task of designing a new park with the budget of £10, 000.

However there were a few factors which they had to take into consideration before spending their money. For example, are there things do to if it rains? Have you provided facilities for people who may spend the whole day in the park? Will your park get crowded in some areas? Why not find out what your child decided to spend their money on!

Have a go at the mathletics task for this week.
http://www.mathletics.co.uk/

Swimming as normal for 4J on Wednesday.

Dates for your Diary!

School will be closed on Friday 28th June and Monday 1st July.

Theatre visit on the 4th July to see Peter Pan — please return permission slips a.s.a.p.
