

Healthy Living Week

The children have had a great week with lots of different exciting activities for a healthy body and mind. We really enjoyed basketball with Surrey Scorchers on Monday, fencing on Tuesday, swimming on Wednesday, tennis on Thursday and dance on Friday. We also kept up our 'Run to Rio' every day, and even had our own 'park and stride' to the coaches for swimming! The children have learned about healthy eating too, and about how to have a healthy mind too thinking about what helps us to feel happy, relaxed and at peace.

English

Our writing this week has been around Healthy Living Week too! We have kept our own diary of the events, thinking about what we have enjoyed and why. We have also written recipes for healthy food, instructions for playground games, and information about a range of sporting activities. The focus for our last half term of Year 2 is to make sure that everybody is always forming letters correctly, and uses full stops and capital letters all of the time. The children are getting so good at this, and we are impressed at the high standard of work they are able to produce :)

Year 2 News

Natural History Museum- Tuesday 14th June

We will be leaving school as close to 9 o'clock as possible. The children need to be in the classroom with their bags, packed lunch and coat **by 8.45am** on this day. Thank you.

Water Bottles & Sun hats

Please make sure your child has a named water bottle and sun hat in school every day from now on.

Move Up Days to Holy Trinity are Thursday 23rd and Friday 24th June. Please make sure the forms you have had which state your children's friendship choices are back in school by Monday 13th June, so that we can arrange the new classes.
