

Just To Let You Know...

Friday 14th June 2019
Week 7

Heads Up

Maths: In maths we'll be thinking about time. We'll be reminding ourselves how to tell the time on analogue and digital clocks. Once we've grasped that, we'll be doing some problem-solving questions relating to time.

English: In English we'll be starting our Rainforest Campaigns. We'll be thinking about the themes in Kensuke's Kingdom and then using them in our own work. We'll start by looking at some campaign posters and unpick why they are persuasive. Then we'll have a go at writing our own poster. We'll also finish typing up our travel blogs ready for our portfolios.

Topic: In Topic this week we'll be doing lots of Geography work to prepare us for our Guildford topic—more on this to come over the next week or so.

RE: We'll be continuing to think about Christians' relationships with God and how this influences their relationships with others. We have been thinking about the sacrifice that Jesus made for Christians, how this is exciting news because it means humans can have a relationship with God and how this should change the way that Christians live.

Dear Parents,

We've had a great week in Year 5 this week! We're nearly at the end of Kensuke's Kingdom, but we're looking forward to finishing the book and seeing what happens at the end.

We really enjoyed holding debates in our classes this week—we were trying to get to the bottom of whether Michael should be rescued from the island or not.

Check out next week's 'heads up' to see what we'll be learning about next week in school.

Thank you to all of the parents who came along to the Summer Fair on Friday evening. A great time was had by all!

Have a good weekend! Love, Catherine, Laura and Sue x

Homework

Team 5 stumbled across this article in the news this week: <https://www.bbc.co.uk/programmes/p07crlzl> We found it interesting to hear about ways children can earn pocket money, but, most importantly, how children can learn to have a value of money.

Following on from thinking about pocket money, This week's homework is a maths sheet that has some money problems on it. Your child will bring it home in their bag. We won't attach a copy to the JTLKY.

As always, please email your child's class teacher if you or your children have any questions about the homework.

Spelling

This week we listened to the following words being read out:

relevant, revelation, referee, restaurant, revolution, reflex, remonstrate, readjust, reflection and referral

We realised that they were tricky words to spell, so we thought of ways to remember the spellings. There will be a test of these words on Wednesday.

Spelling!

We really enjoyed seeing the 50 things homework from last week. Please keep emailing us photos of your children completing things on their list. We'd love to print them and put them up in the classrooms.

Dates for your diary

Mid-Summer Holiday: 24th June

District Sports: 25th June

Church Service at Holy Trinity: 23rd July

End of Term: 24th July

INSET: 4th September

Back to school: 5th September

Year 5 Week 6 (audio file attached to JTLYK)
