

Year 6 Group Room

We've had a busy week revising reading comprehension skills: looking for key words in a question, answering questions fully, how questions are set out differently, etc. We also did some descriptive writing using Tom Brown's School Days as a stimulus. We made good use of our previous learning of connectives and speech marks.

Next week we won't learn any new spellings but will revise those already learnt over the last few weeks. There will be no spelling test on Thursday; we do urge you encourage your child to look at the SAT's spelling list though.

Don't forget to keep reading and have a great 'long' weekend.

Lynn and Tina
