SPELLING FOCUS

This week we have looked at the 'or' sound within words: More, morning, forget, story, forty, fort, torn, born.

Don't forget to learn your extension / topic words.

CURRICULUM

The children had great fun listening to a talk by students from King's College University about their recent trip to India, and all the animals that they encountered. We are very impressed by the children's speeches and all the research that was been undertaken We are continuing to listen to these over the next few weeks. Don't worry we will listen to them all! Topic this week is finishing off our work on food chains and animal decision trees.

In English we are looking at skimming & scanning skills for reading and understanding text. This will help them when researching the animals for their non-fiction booklet.

We are finishing off our word problems and starting area /perimeter related to our zoo design.
