

First Week!

We have had a lovely week learning all about life in year 2 and getting to know each other.

We have been thinking hard about how we can respect each other. Our class charters should help make sure that we are thinking about how others feel so that our class rooms are safe and happy for everyone.

We have been thinking about the things that make us unique as well as the things that are the same about us. We made some stunning self portraits using natural materials outdoors, as well as construction toys! Our more traditional portraits were very carefully and thoughtfully drawn and painted.

Home and School Books

These now replace the old reading record books (we will send these home to keep today!). This book also acts as a message book for home/school as well as the place to find any important letters and the JTLYK each week.

.....
• **Please come to our 'Meet the Team' Evening on Tuesday 11th at 7pm.** •

Spellings.....

Each week our spellings will appear in this box on the JTLYK. The children also do some practise in school, but if you could find some time at home to have a go it really makes a difference. If you practise some spelling, do it in your Home School Book so we can see what you have been up to.

Things to remember

Welcome to year 2's JTLYK.

As well as keeping you up to date with all that we have been doing and giving you ideas for things to do at home, there will be all kinds of messages and reminders on this sheet so please read it! If you miss out on a paper copy there is always an online version on the web site!

Children need to come to school in PE kit on Wednesdays and bring their swimming kit. PE kits can be kept at home the rest of the time.

Please make sure your children have Wild Place things in school next week—wellies and long trousers are essential.
