

**Year One
Beech and Oak
20th January 2017**

Art Exhibition

Please come to our Art Exhibition on Friday 3rd February at 2pm in Year 1.

We will be trying out all sorts of Art techniques and making an exhibition of the children's work for you. Our art theme will be Terrific Tales.

The children will be very pleased to show you their lovely Art work and there will also be the Topic Books for you to enjoy.

Sound of the Week

Thank you very much for helping your child with their 'Sound of the Week.' We notice how every bit of extra practise really makes a good difference.

Sock Puppets!

Thank you so much to the kind parents who cut up 100s of ears and noses ! The children are making a very good job of turning the socks into pigs and wolves!

English

We had fun changing the story of The 3 Little Pigs into many different amazing versions. The children worked hard to

remember their sentence writing skills and curly school writing. This will continue to be our focus next week too.

Spanish visitors

Today Year 1 enjoyed listening to some stories read to them by some Year 6 Spanish children who are visiting us this week. The Spanish children attend a school in Northern Spain and our Year 1 children were amazed to hear that it had been snowing there!

Maths

The children have been busy learning to recognise every coin and have been working hard to compare the values using language such as 'least valuable and most valuable.' Please try to get some coins out at home and ask your child to spot a 5p, 20p, £2 etc
