

Year 5 Group Room

From this week we'll let you and your child know what the following week's spellings will be. We were very impressed by the spelling test results this week – keep it up children!

Next week's spellings are words containing the sound 'er'. Listen out carefully for those sounds at the ends of words where the syllable stress is on the first syllable and 'er' is tricky to hear:

verb, sister, thunder, winter, bigger, term, herb

This week the boys and girls did some exercises to extend sentences by adding 'because'. They transferred this skill into writing a little brochure.

Have a lovely weekend,

Lynn and Tina
