Well done to all the children this week! They all focused so well during their practice SATs and did their absolute best. They did really well and we will be feeding back results, to the children. With SATs just around the corner we are trying to reassure the children as much as possible. However, there may be a few children who are feeling particularly anxious or stressed about the coming weeks. If this is the case, please encourage your child to come and talk to their class teacher or, indeed, feel free to contact any of the year 6 team yourself with any concerns.

We must say a huge thank you to Sara and Suzanne for all their tremendous hard work on the Yearbook. Here’s an update from them:

The Yearbook is nearly finished, ready to be printed. Thank you to everyone who has got involved, and all the lovely feedback. There are now over 1200 photos on the site! We have extended the deadline until Monday, to give you a chance to finish off, review and check profiles. If you need any help please contact Sara on sj.waterfield@ntlworld.com We can reset passwords, add photos for you and answer queries. Thank you!

Please ensure that your child has PE kit in school—lots of children didn’t have their kit, this week. 6SR have loved the Friday sessions at Airhop, it will be the turn of 6A next Friday, for 2 weeks and then 6M. Our exciting Summer term topic will be starting next week.
