Narrative

Our exciting trip to Butser Farm brings this whole topic to life! In the first half of the autumn term we learn about the Neolithic Age, the Bronze Age and the Iron Age and focus on the Ancient Britons' way of life.

We then consider how and why the Romans and Anglo Saxons invaded Britain and how they contributed to the development of modern day society.

Over the term, we see the beginnings of Britain and the formation of England.

Days to Look Forward to

- Butser Farm
- Stone Age tool making – Pewley Down
- Visit from a Roman soldier – John Eagle
